COURSES 

Special Offer for the Class of 2024

Learning doesn't stop after graduation

Keep going with 3 free years of Continuing Education Online courses

As our gift to you, graduates from the Class of 2024 can celebrate with a free three-year subscription to ADA Continuing Education Online courses*. Keep learning on your time (no more early classes!) with more than 300 courses led by experts on topics like clinical skills, practice management and leadership.

Find top courses for new dentists, including:

- Safe and Responsible Prescribing of Opioid Analgesics
- Diagnosis and Management of the Dental Emergency Patient
- Dental Ethics
- Communications Coding and Collections

For your free subscription, visit CE.ADA.org.

An ADA Continuing Education subscription for Online courses is free for new dentists up to 3 years out of dental school with code **FreeSub24**.

*Does not include premier courses.
