Nevada Dental ASSOCIATION

Dear Colleague:

Enclosed is your invoice for 2018 dues as a Nevada Dental Association, American Dental Association, and component society member. Again this year we have four payment plans available to help you preserve cash flow while paying your dues. Each of the installment plans includes a nominal administration fee. See the attached form for more details and to sign up for one of these plans. **We do request that if you opt for one of the payment plans that you use a credit or debit card only. Checks will be accepted for full payment only.**

If you intend to pay in full by credit card this year we prefer that you go to the NDA website www.nvda.org. Please go to the home page, click on the button for paying dues, and enter your ADA number then your dues numbers should appear. There will be a nominal administration fee for using a credit card. You can always call the office to give us your credit card information, but we prefer you use the website.

Checks will be sent to the Association Office Post Office Box this year.
Please make your check out to: **Nevada Dental Association** and send to:

Nevada Dental Association
P.O. Box 400877
Las Vegas, NV 89140-0877

In addition, we are again including the NDA Volunteer Report (White) form to fax to the NDA office to document the work you write off or donate in your own office. These are the key to explaining to legislators what we are already doing to help with access and to educate them that they have to do their part too.

I invite you to make a donation to our own Nevada Dental Association Foundation for Oral Health. The money donated is tax deductible and will be used to serve the dental needs of the underserved and to support dental education. The board is made up of dentists who will decide where it is needed. Suggested donation is $100 but all donations are accepted.

Please take a moment to look at the separate flyer about the State PAC Fund and the ADA Pac fund. You will find a place on the dues statement to donate to these funds.

Sincerely,
Robert H. Talley DDS
Executive Director

NDA Donated Treatment Report

NDA would like to be able to track the number of patients seen and the dollar value of your pro bono work. If you will fill out this report and send it to us each time you do charity work or reduce your fees because of a patient's financial situation, we will be able to report more accurate information to the legislature and others concerned with access. If necessary, please feel free to eliminate any specific patient information to comply with privacy laws. If you are sending information for more than one patient, please be sure to separate the procedures by patient on the attachments. If you have any questions on the use of this form, please call Anthony at the NDA office.

ADA number: _____

Date of Service: _____

Procedures: Please attach a super bill or a computer printout of services.

Approximate value of treatment: $_____

Approximate write-off: $_____

This information will be consolidated and individual dentist's statistics will not be released or used to solicit volunteer work. NDA is encouraging groups that need volunteer dentistry to go through the Northern Nevada Dental Health Program and the Southern Nevada 1 Day A Year (1DAY) Program. Only use if you are volunteering outside of the 1DAY or NNDHP programs.

NDA Political Action Committee

The Nevada Dental Association Political Action Committee (NDAPAC) is essential to the future growth of dentistry in our state. Just as our NDAPAC works on behalf of our profession at the state level, the American Dental PAC (ADPAC) advocates for us on Capitol Hill. Together, our two PACs are a force for dentistry!

DON'T LET TIME RUN OUT ON OUR INDUSTRY.

ADD A CONTRIBUTION ON YOUR DUES STATEMENT FOR NDAPAC AND ADPAC.

The clock is ticking on our fundraising goal to strengthen the voice of dentistry at the state and federal levels.

With Election Day quickly approaching, NDAPAC and ADPAC **need your support to ensure we are prepared** for whatever outcomes this year's races may bring.

With a stronger voice that reaches from Nevada to Washington, D.C., we can **ensure continued growth and success** for our profession – but our time to come together is quickly running out.

We are only as strong as you allow us to be.

When it comes to dentistry, we MUST be proactive!

ADPAC is a federally registered political committee and the contributions it receives are used to support federal candidates and committees. Contributions to ADPAC and Nevada Dental Association Political Action Committee (NDAPAC) are voluntary and any member has a right to refuse to contribute without reprisal. The contribution guidelines are merely suggestions and a member may contribute more or less or not at all without concern of favor or disadvantage by the association. Corporate donations will be used exclusively to pay for the administrative and operating expenses of ADPAC. Contributions are not deductible as charitable contributions for federal tax purposes. Federal law requires ADPAC to request the name, address, occupation and employer for each person whose contribution exceeds two hundred dollars ($200.00) or more in a calendar year.
