## Dental Implant Placement and Sinus Lift Procedure

Dates: May 29 and 30, 2009

Time: 9:00-5:00

Fee: \$1,995.00 per dental practitioner (Includes lunch)

16 CEUs will be awarded upon successful completion of the course.

This 2-day course is designed for the general dentist or specialist who is experienced in dental implant placement who would like to expand their knowledge of sinus lift procedures accompanying dental implant placement.

The objectives of this course are to have participants gain a working knowledge in the following areas:

1. General dental implantology and bone biology
2. Performing pre-implant patient evaluation with including implant indications and complications
3. Developing an implant treatment plan for implant placement and restorations.
4. Selecting the optimum implant attachment and prosthodontic components
5. Discussing CT guided surgical techniques
6. Discussing indications and treatment planning sinus bone grafting and other bone grafting techniques

Refund and Cancellation Policy: To cancel, please notify the Nevada Institute for Advanced Dental Education as soon as possible. Cancellations made less than five business days prior to course start date will be subject to an administration fee of \$250.00. Please allow two to four weeks for refunds. "No Shows" will not qualify for refunds.

Disclaimer: Course dates are subject to change. Nevada Institute for Advanced Dental Education reserves the right to cancel any courses in the event of lack of participation. Nevada Institute for Advanced Dental Education will not be responsible for any direct or indirect financial losses incurred by the participant in the event of course cancellation.

This program is given in joint sponsorship with DentiSpace, an ADA CERP recognized provider.
