Course Overview

There's no better way to get up to speed – or keep up – with the latest in laser dentistry. In one intensive, fun and exciting day, the Laser Certification course covers laser dentistry from all angles. There are Education tracks for both new and experienced laser owners; for those looking to add a laser to their practice in the future, and for hygienists, assistants and staff.

Speaker

Dr. William Chen, DDS

Payment

The Laser Certification Course is \$695/attendee.
